

## Press Release

### aspectra AG becomes CONVOTIS Swiss Cloud AG

March 20, 2025

**Rotkreuz (PPS)** – Effective March 24, 2025, aspectra AG – a leading provider of managed IT services and secure cloud solutions – will operate under its new name: **CONVOTIS Swiss Cloud AG**. This change marks the final step in the company's integration into the **CONVOTIS Switzerland Group**, a process that began last year.

The rebranding strengthens the company's position as part of a leading European IT group while maintaining its legal independence and strong Swiss roots. Customers and partners will benefit from access to expanded resources, enhanced technological capabilities, and a broader portfolio of IT services through closer integration with the CONVOTIS Group.

#### Continuity with new opportunities

Despite the change in name, the following aspects will remain unchanged for customers, partners, and suppliers:

- The Swiss location and high quality standards will remain intact.
- The experienced team will continue to provide the same trusted expertise.
- All established managed services and security solutions will be delivered without interruption.

"By rebranding as CONVOTIS Swiss Cloud AG, we are entering a new chapter without losing sight of our roots and core strengths. Our clients benefit from an expanded service portfolio and the innovative power of an international IT group – with the same commitment to quality, security, and local focus."

– **Kaspar Geiser**, CEO, aspectra AG

#### Executive Board strengthened with new CSO

As part of this transition, **Vito Critti** joins the Board of Directors and Executive Management Team of CONVOTIS Swiss Cloud AG as **Chief Sales Officer (CSO)**. With his extensive experience in sales and customer relationship management, he will play a key role in strengthening the company's market presence and further developing customer and partner relationships.
